

# REFUGE JC

## COVID-19 Plan

### Stay home.

If your student feels sick or has been exposed to someone who is sick, please keep them home. MIDWEEK will be here when they feel better!

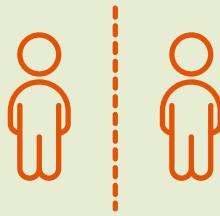

### Temp checks.

Each adult and youth will be scanned as they enter. Anyone with a temp of 100.4 or higher will be quarantined until they can be picked up.

### Keep your distance.

Socially distancing is still the very best way to prevent the spread of COVID. Our chairs will be set up 6 ft apart in each direction. Our small groups will spread out when they meet. AND NO HUGGING ... for now.

### Disinfecting.

A team of volunteers will disinfect chairs, door handles and bathrooms during the transition from middle school to high school.

Our church maintenance staff will thoroughly clean and disinfect the gym each week.

The gym doors will open 15 minutes prior to the start of each MIDWEEK to begin check in procedures.

There will be no game options like basketball. Students can visit (with masks on) before they take a seat to begin.

*In order to meet together safely during this season, the following procedures will be mandated for MIDWEEK, our Wednesday youth program.*

### Wear a mask.

We are requiring masks to be worn by all and at all times and correctly – which means over your nose and mouth. This will be enforced.

If you do not have a mask, we'll happily provide you with one!

### Wash your hands.

We will have hand sanitizer stations as you enter and as you exit as well as outside each bathroom.

### Signing In.

When you arrive to the gym, there will be one entrance on State Street parking lot. Your temp will be checked. You'll stand on the taped "x" to maintain 6 ft distance until the lines move forward. At the registration table, you'll give your name and a volunteer will check you in. If you are not in the system, you will complete an information card.

Once you are checked in, you may enter the gym and find a seat!
